BREESPORT BAPTIST CHURCH

The Gospel Overcoming Addiction

August 9, 2020

There is Hope for a Tree

Luke 13:6-9

This week we are blessed to be joined by the men and women of the Renovation House in Spencer, NY. The Renovation House is a Christ-centered drug and alcohol rehabilitation ministry that the Lord has used to bring men and women to freedom from their addictions. Pastor John Early has given his life to Gospel-fueled recovering ministry for the last seven years. We're excited to have him open the Word and challenge and encourage us all as we continue to consider the Gospel Overcoming Addiction.

We encourage you to share this bulletin and the links and [join us online](#) with others that may not have access to their church services at this time.

We love you!

The **Voice**
of the **Martyrs**

July 30, 2020 | Nepal - Woman Stoned by Neighbor

The Voice of the Martyrs A Christian woman spent a week in the hospital after a neighbor attacked her. Miriamu became a

Christian in 2014, but when the distance became too great to travel to the nearest church for worship, she decided to start her own in her home. Her neighbors were not Christians, and they became alarmed when they saw the new church beginning to grow. One Saturday a neighbor approached Miriamu to tell her that the church (Miriamu's house) was on the neighbor's land. Miriamu disagreed, telling the woman she had the official paperwork. Immediately, the woman picked up a stone and threw it at

Miriamu's head. The woman continued to stone her until she lost consciousness. As her neighbor threw the stones, she shouted, "We must chase the Christians from this place! They are destroying our religious environments." Miriamu was taken to the hospital, suffering from deep gashes on her face and neck along with internal bleeding. "She still finds it difficult to speak," wrote a VOM worker. "She wants to forgive her neighbor, who she believes will come to know Jesus one day."
